DETAILED ITINERARY

Day 1 : Welcome to Japan!

Welcome to Tokyo! You will be met upon arrival at Tokyo Narita Airport and escorted by shuttle bus to your hotel in the city. Please note that as other people will be in the same bus there may be a few stops before you arrive at your hotel (maximum of 3 other stops). Journey time is around 2 hours and this is a comfortable and easy way to make today's transfer (hotel check in is generally after 14:00).

Look out for some great views as you ride the elevated highways into town, and spend the rest of the day exploring the city at your own leisure. With its huge skyscrapers, underpasses, overpasses and crowds of pedestrians, Tokyo may not seem the most attractive city on the surface, but the city has a vibrant charm all of its own. The street level detail is what makes Tokyo such an incredibly interesting place to explore and at every turn you will be met with an array of sights, sounds and smells to enliven the senses.

Day 2 : Sightseeing in Tokyo

Today enjoy a full day of guided sightseeing led by a local guide, offering a perfect introduction to the city. Travelling by public transport, as Tokyoites do, you will get a real feel for city life and your guide will help you discover aspects of Tokyo that you would not be able to find on your own. Rather than a fixed itinerary, you can enjoy the flexibility of seeing and doing exactly what you want.

Your guide will come to your hotel at around 9:00am (or any time you choose) to meet you and your day will proceed from there. Rather than fix an itinerary in advance, we like to give you the flexibility to see and do what takes your fancy. This means you will need to pay for your entrance fees on the day. You will also need to cover your local transport and that of the guide.

As a suggestion, you can start the day by visiting Asakusa, Tokyo's historic district. Here you can browse the bustling market place of Nakamise Dori, visit the famous Senso-ji Temple and explore the backstreets lined with Kabuki theatres, rustic bars and restaurants. From Asakusa you can take a river cruise on the Sumida River to the Hamarikyu Gardens, a peaceful oasis of greenery and exquisite Japanese aesthetics in the heart of a bustling city.

A short train journey from here can take you to Harajuku, the focal point for Tokyo's teen culture where you will find teenagers hanging out wearing quirky and extreme fashions. Nearby, you can also find Meiji Jingu, one of the most famous and important shrines in Tokyo. Then, why not end the day surrounded by the bright lights of Shinjuku, Tokyo's main business and entertainment district. Spend the rest of the evening discovering the city on your own.

Your day of guiding will finish at around 5:00pm, with the guide either dropping you back at your hotel or anywhere else in the city you wish to spend the evening.

Overnight - Tokyo (B)

Day 3 : Tokyo to Hakone

Tokyo - Hakone - breakfast. This morning make your own way to Tokyo Station where you will get the train to Odawara Station, the access point for the Hakone National Park. From Ueno Station you will be taking a JR Yamanote Line train to Tokyo Station. The journey takes under 10 minutes and trains leave every 5 minutes. From Tokyo Station you will be riding on the Shinkansen for the 35 minute journey to Odawara Station, the access point for the Hakone National Park. We will be providing reserved seat tickets for this leg of your journey - sit back and relax!

Upon arrival at Odawara you will start using your 2 Day Hakone Freepass. The pass is valid for two days from today and entitles you to unlimited use of 6 different forms of transport in the Hakone region. These include the mountain buses and railway, one of the longest cable cars in Japan and a funicular railway as well as a pirate ship which cruises across Lake Ashi! These all criss-cross the region making it easy to explore and enjoy the surroundings as well as some of the many top quality art museums.

The pass also gives you small discounts at many attractions in the area so be sure to show your pass when purchasing tickets. And of course, if you are lucky with the weather, you will be rewarded with stunning views of Mount Fuji. From Odawara Station you will use your Hakone Freepass to take the bus up into the mountains of Hakone and on to your accommodation, the Ichinoyu Honkan. The road twists and turns as you head higher passing through several small villages en route. Spend the day exploring the region at your own pace.

Overnight - Hakone (B, D)

Day 4 : Hakone to Kyoto

Hakone - Kyoto - breakfast. Today you will travel to Kyoto, Japan's ancient capital and the cultural centre of the nation. From Odawara, the journey to Kyoto will see you racing down Japan's eastern seaboard by Shinkansen and takes 2 hours 10 minutes. Kyoto is one of the most culturally rich cities in Asia. Home to 17 UNESCO World Heritage Sites, over 1,600 Buddhist temples and 400 Shinto shrines, this ancient city showcases the heart and soul of traditional Japan. Spend the rest of the day at your own leisure exploring the city. **Overnight - Kyoto (B)**

Day 5 : Sightseeing in Kyoto

Today enjoy a full day of sightseeing in Kyoto, again travelling by public transport with a private guide. Your guide will come to your accommodation at around 9:00am and take you on tour that will encompass some of the more famous sights but also some lesser known places of interest. Today, there will be no fixed itinerary and entrance fees and transport will be paid on the day (you'll also have to cover the guide's transport). This is to give you the maximum flexibility to enjoy each place in your own time.

With no fixed itinerary and a knowledgeable local at your side, you will be set for a great day in this amazing city and are sure to discover things you might otherwise miss. You may want to start your day at Kinkakuji -

Kyoto's famous Golden Pavilion Zen Temple which is decorated with gold leaf and stands over a tranquil pond. From Kikakuji in the north of the city, you can then head to Kiyomizu Dera Temple in the east. This impressive wooden structure is perched on a hillside surrounded by woodland and looks out across the city.

The afternoon could be spent at Fushimi Inari Shrine in the south of the city. This shrine's appeal is the thousands of red torii gates which creates a network of pathways through the wooded forests of Mt Inari, linking the various buildings of the shrine together. You may want your guide to finish the day of sightseeing by taking you to the Gion Geisha District where, if you are lucky you will be able to see a Geisha shuffling through the streets between appointments.

Your day of guiding will finish at around 5:00pm, either back at your accommodation or anywhere else in the city you wish to spend the evening.

Overnight - Kyoto (B)

Day 6 : Kyoto to Mount Koya

Kyoto - Mount Koya - breakfast. Today's journey will get underway from Kawaramachi Station. This is conveniently located just a few of minutes' walk up the road from your hotel. You will start using your Kansai Thru Pass with this journey on the Hankyu Line to Umeda Station in Osaka. You will then need to make the short transfer by subway across town to Nanba Station, from where all trains to Mt. Koya depart.

Valid for 3 days, your package includes the Kansai Thru Pass which covers all the non-JR transport in the Kansai area. This includes subways, buses and several private railway lines covering the entire region.

The journey on from Nanba to Mt. Koya will see you riding the Nankai Line express train. As this journey is covered by the Kansai Passes you can travel on any train. We will be providing recommended departures for you though. There is also a reserved seat express train for which a small supplement (760 yen) is payable on the train. The train takes you out through the suburbs of Osaka

into the countryside of Wakayama before you finally rolling into Gokurakubashi Station - the very end of the line. The final stage of your journey will see you taking the Koya Cable Car, a funicular pull-up railway which will haul you up to the mountain top plateau. Total travel time from Kyoto will be in the region of 3h30 including transfer time in Umeda and at Nanba.

To get to your accommodation in the main village you can either use your Thru Pass and take the bus or alternatively hop in a taxi for the 7 minute ride.

Mount Koya is one of the holiest mountains in all of Japan, with the plateau at the top being home to more than 100 temples and monasteries. Koya-san is the headquarters of the Shingon sect, an esoteric school of Buddhism which has over ten million members and 4,000 temples in Japan. There has been a religious community here since 816 when it was founded by a monk named Kukai after he returned from studying for two years in China. Koya is a very peaceful and beautiful wooded area and some great walking is also available. Spend the rest of the day soaking up the atmosphere in this magical place.

Overnight - Mount Koya (B, D)

Day 7 : Mount Koya to Osaka

Mount Koya - Osaka - breakfast. This morning you will take the train from Koya-san to Osaka Nanba Station (on the Nankai Line), the journey takes about 2 hours.

Japan's second largest urban area, Osaka is an extremely vibrant and lively place to stay. The city aquarium is world class and you cannot stay in Osaka without taking a ride on one of the city's several giant big wheels, perhaps the most dramatic of which

is perched on top of the Hep 5 Department Store in the Umeda District of the city - just don't look down if you are afraid of heights! Osaka Castle is well worth a visit despite being a reconstruction as the original was burnt down during the firebombing at the end of World War II, and you will find a variety of very interesting museums are scattered throughout the city.

After dark Osaka really comes alive, a walk through the bright lights of the Nanba District is a great way to take in the atmosphere, with some great people-watching opportunities. With literally thousands of restaurants, bars and entertainment spots to choose from, Osaka is perfect for a big night out, some hearty local food and the chance to let your hair down.

Overnight - Osaka (B)

Day 8 : Goodbye Japan!

Today, your adventure in Japan comes to an end. A departure transfer by shuttle bus will take you to Kansai Airport for your onward travel. **Overnight - Osaka (B)**

Transportation

When travelling with us to Japan on a Private Tour you will be met upon arrival at the airport and escorted by shuttle bus to your start hotel. While our tours do include a day of guided sightseeing in Tokyo and Kyoto, the remainder of your tour is independently led, meaning you will be responsible for getting from place to place.

Thankfully, transportation in Japan is modern, punctual and easy to use. And to help you get started you will be provided with various travel vouchers which will cover most of the journeys you will make during your stay in Japan. These will then need to be exchanged for actual tickets upon your arrival.

Exchanging your vouchers

You will need to exchange the vouchers for actual tickets after your arrival in Japan. We recommend making the exchange at a mainline station in Tokyo. Instructions on how and where to do this will be in the Japan Rail Pass pamphlet you will be provided with. Note that you will need to show your passport when you make the exchange, and when you make the exchange you will be asked to state the date you wish to start using the passes.

Please note that many ticket offices do not open until 9 or 10am, so be sure to make the exchange in advance if you plan on making an early start. Plus remember to check your Japan Rail Pass pamphlet received with the vouchers for specific ticket office opening hours.

Reserving a seat for your journey

You can make seat reservations for no extra charge using your Japan Rail ticket – simply apply at any JR ticket office or at the time you make the exchange. You can reserve seats whenever you like; days in advance, the day before each journey; even just turn up at the station a few minutes before the train departs (subject to availability) and you can reserve seats. If you like to be very organised you can even make all your seat reservations right at the start of your trip. You will not be penalised if you end up not using a reservation, though it is polite to turn the reservation in at a ticket office so that other people can use those seats. Alternatively, you can just turn up and travel in the unreserved seats carriage of any JR train.

Accommodation ratings

On our Private trips, you can often choose your style of accommodation. KNOW BEFORE YOU GO

Japan Country Guide

Visas & passports

Visa requirements are subject to change and visa procurement is the responsibility of the traveller and not On The Go Tours. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Japan.

After booking your holiday, please provide us with your passport details as soon as possible so that we can proceed to book all services. Please be advised visa requirements are subject to change, therefore it is essential that you check current visa requirements with the embassy at least one month prior to travel. For information about visas, head to www.onthegotours.com/Japan/Visas

Please note: If you plan to renew your passport between now and your departure date, please let us know as soon as possible. For booking your accommodation and transportation, we must have the details of the passport that you will be carrying with you on your trip.

Fitness & tour transportation

We utilise public transportation in Japan because it's modern, punctual and easy to use. Japan's bullet trains run at speeds of up to 320km/h so they're undoubtedly the quickest way to get around the country. Additionally, we use buses, trains and our trusted feet for sightseeing within the cities. This provides a unique insight to how the locals do it and also means that we avoid heavy traffic and delays. We walk an average of 3.5–9km each day, with steps, slopes and often uneven ground at sites.

Please note: that there may be times when you may not get a seat and will need to stand for the duration of travel and that you will be required to carry your own luggage at stations.

With the above in mind, it makes a lot of sense to spend some time getting additional exercise in preparation for your holiday and to wear suitable footwear.

Entrance fees

On most of our packages, the entrance fees are not included in the price of your holiday, although reasonably priced. We collect the entrance fees at the Welcome Meeting on day 1 (the amount is noted under exclusions on the first page of this document). A breakdown of the entrance fee total is provided upon arrival. Entrance fees are payable in local currency - Japanese Yen (JPY).

Tipping

Tipping is an essential part of the culture. For a job well done, we would suggest for your tour guide: USD\$3-5 per traveller, for each day of sightseeing.

For any drivers or On The Go Representatives we'd recommend USD\$1-2 per traveller for each day of service. Tipping is an entirely personal gesture and ultimately the amount is up to you.

Is this holiday right for you?

Travelling to far-flung corners of the earth often involves encountering lifestyles and conditions that are very different from what you are used to back home. As such it is important to come prepared for

unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect everything to go precisely as planned, as things can and do change in foreign countries. The people, customs, creed and languages are different from one region to the next.

Japan is a country of unparalleled contrasts, a destination where you'll be afforded plenty of unique encounters, and if you can travel with an open mind you will have a wonderful time here. In return, please remember to demonstrate sensitivity and respect for local customs.

Please visit www.onthegotours.com/Japan/Travel-tips-and-useful-info for local customs, currency, WiFi and other helpful information to prepare you for your holiday.

Health

You should seek medical advice for vaccinations and about medications before travelling. Water is safe to drink in all areas of Japan.

Some medication including the stimulant dexamphetamine (used to treat ADHD) and pseudoephedrine (found in some cold and flu tablets) are banned. There are strict rules on the import of medication, and what can be brought into the country for personal use, check if your medication is legal and find out if any quantity restrictions or certification requirements apply. Consult your doctor about alternatives well in advance of travel.

Packing

Please check local temperatures so you can pack accordingly. Visit www.worldclimate.com

One medium sized suitcase is recommended for travel around Japan and you will also want to take a small backpack or day pack for daily use. This small backpack will also come in use when your main suitcase has been forwarded ahead, such as when visiting Lake Kawaguchi on our groups tours or when travelling from Kanazawa to Kyoto on our Cherry Blossom tour.

Make sure you pack comfortable shoes as an extended time will be spent on your feet – high heels are not a nifty way to travel through Japan! Also, shoes will often be taken off and put back on, so something that is easy to put on and off easily is best!

- Universal travel adaptor
- DEET based mosquito repellent/antihistamine cream
- First aid kit including Dioralyte

Own arrangements

If you have made your own arrangements for accommodation, trains, planes or further sightseeing etc. independent of your holiday with us, our guides are more than happy to offer general information about your new adventure and point you in the right direction. That said, our guides are unable to become involved with these arrangements, such as calling your hotel and speaking on your behalf, changing your reservation, or escorting you to your new location, as it puts them in a difficult situation if things do not go to plan.
